Chapter 40 | Cool Milk Coffee Jelly

It's the
opposite
of what
you're
doing,
Kotori.

Yup.

I feel
like
there's
some-
thing
else I
could
do...
I don't
know
what,
though.

...

It was
kind of
silly of
me...

Sorry,
I guess.

Oh, so
that's
why you
kept it a
secret?

Wah!
Stop it!
Stop!
I'm
blushing!

Sh-
Shino-
bu!!

Ha
ha
ha...

FLASHBACK

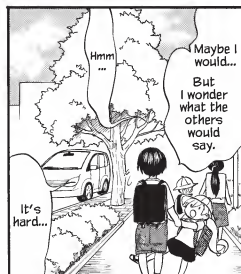

You like older boys...

He's an older guy?

Tsumugi... is that the boy?

Aww, come on!

Oh, you've got guests already.

Didn't you see the sign saying closed?

No way.

Okay!

Aw, jeez...

Kotori-chan!
Shinobu-chan!

Come in!

Can we drop in for a bit?

All the cafes are crowded.

I can't concentrate at home!

We'll pay...

...like proper customers.

Do it at home.

You guys ...

Two iced cafe au laits!

I'll have another coffee.

And you, too.

Thanks...

We're self-grading now.

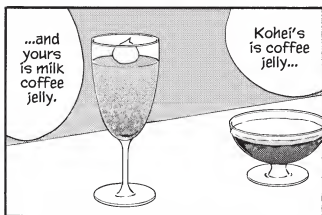

Good work on your tests.

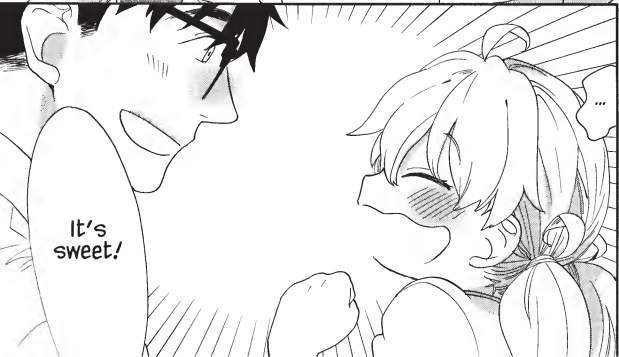

Heh...

Milk
coffee
is deli-
cious!

It's
got a
mellow
taste...

...and it's
less like
gelatin and
more like a
pudding...

!!

There's
just a hint
of bitter-
ness!

They're
both
great....!

hmm...
The
way the
coffee jelly
mixes with
the whipped
cream to be
so squishy
and soft...

I'll trade
you half of
mine for
half your
coffee jelly.

You want
some too,
Shinobu?

Sure.

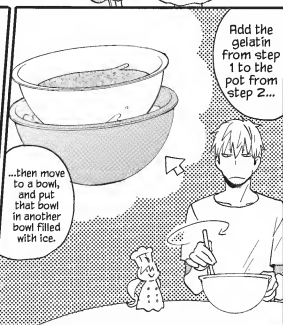

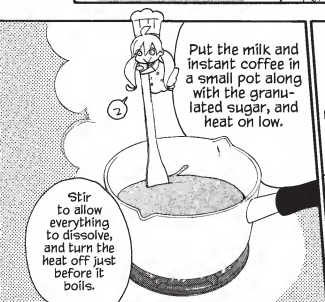

Yeah...
This is
really
good!

You're
right!
This is
good
too!

...

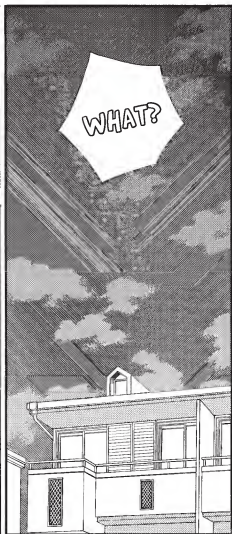

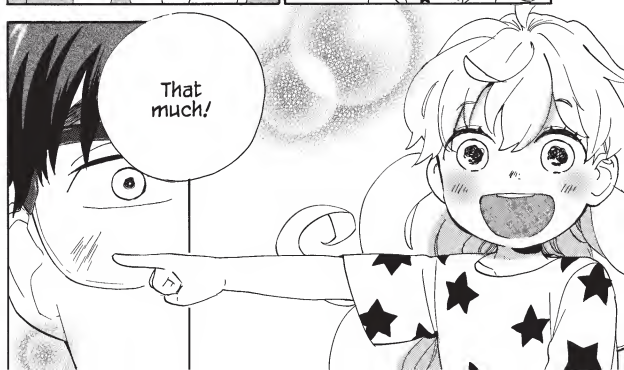

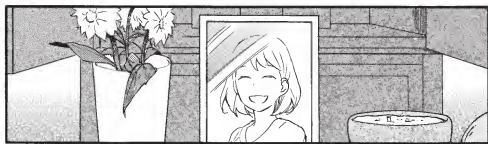

Tsumugi
...

I don't think that just because you don't like being called a girl, you should try to look like a boy.

YAAHH

I'm
rubber,
you're
glue!

Yeah,
yeah.

Then the
person who says
somebody likes
girls actually
likes girls more,
and you guys are
being annoying,
dummy!

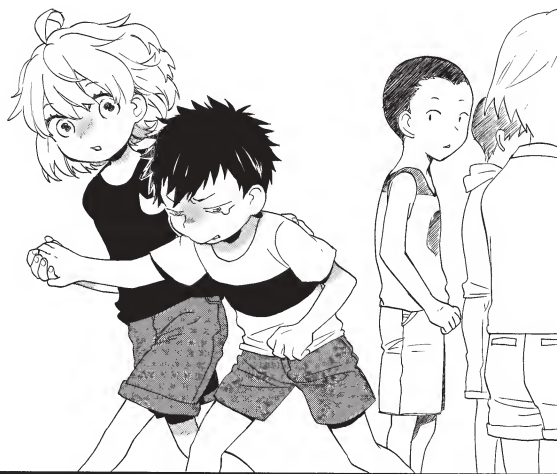

Girls
need to
shut
up!

Boys
are such
babies!

Mikio-
kun's a
meanie!

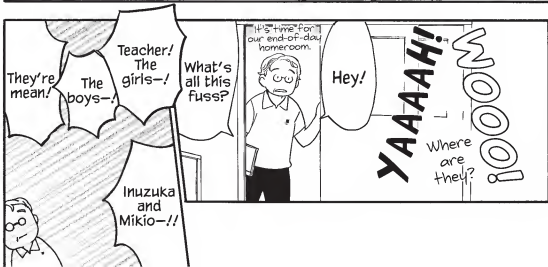

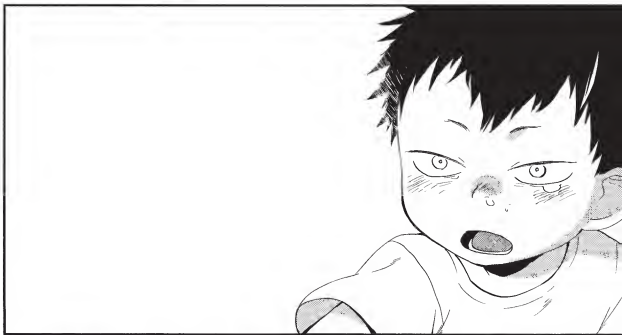

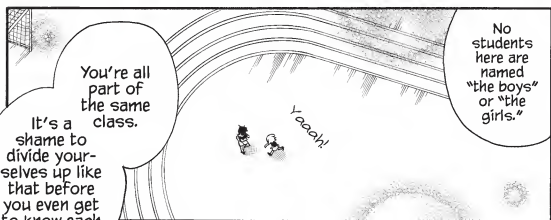

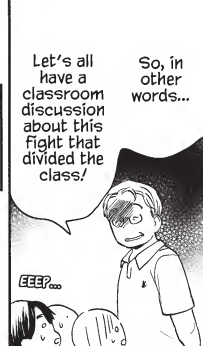

I'm
really fast,
aren't I?

To be continued...
